Falcon

Bulletin

December 1992

The **Falcon Bulletin** is published monthly by the Falcon Club of America with information from its members. The Falcon Club of America, Inc. is a nonprofit organization dedicated to preserving the **Falcon** automobile built by the Ford Motor Co. from 1960 to 1970. Roy E. Sword founded the worldwide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to the Falcon Club of America are \$20 (\$25 outside the United States), and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72076. Copy for publication should be sent to: Kathy Lerner, 2721 Gilboa Ave., Zion, IL 60099. Copy must be received by the first of the month preceding the month of publication.

To Advertise:

FCA members are entitled to two free ads per issue (limit 50 words per ad). Each ad must appear in a different section of the classified ads. The FCA will not be held responsible for errors (legitimate errors will be corrected in the next issue when requested). All ads for the classified section must appear with a member's name to be considered a free ad. Nonmembers' ads in the classified section are \$5.00 each, and are limited to 50 words per ad. All items advertised for sale must have a price for the ad to be run. Ads to be run in more than one issue must be resubmitted each month.

Commercial ads will be accepted on a space-available basis. All copy for commercial ads must be camera-ready. Commercial ad rates (per month) are: Full page — \$50.00; Half page — \$30.00; Quarter page — \$20.00; Quarter page photo ad — \$15.00 for members, \$25.00 for nonmembers.

All ads should be sent to the editor. Payment must accompany the ad, with checks payable to the Falcon Club of America.

Ads must be received by the first of the month for the next month's issue

PRESIDENT'S MESSAGE

Everyone is going to get sick of my preaching about the Nationals, such as pre-registering and helping out with the meet, but we need your assistance to make this a *success*. If you can help in any way, contact Marty Martin or one of the committee members.

The holiday season is just around the corner, so buy that special Falcon gift from the club store. You need to order it soon so Bonnie can get it to you before Christmas.

Many of our FCA members' cars have made it into the car magazines lately and are looking good. This helps us pick up new members for the club. The interest in Falcons just keeps getting better and better. The quality of Falcons also keeps improving every year. We have cars as nice as any other organization and can compete with the "big boys" and their high dollar cars.

Kathy, our editor, still needs tech tips, chapter news and other interesting things about Falcons and their owners. Your input helps make the *Bulletin* more interesting reading.

If your chapter is going through some rough times and needs help, contact Chapter Coordinator Steve Springer, your regional director or me, and we'll try to help.

Take Care and Have a Happy and Safe Holiday,

Jim H.

❖ Notice to All FCA Members ❖

- ◆ The U.S. government will soon make it mandatory that all address labels carry the nine-digit zip code. Please look at your mailing label on this issue of *The Falcon Bulletin* to see if we have yours. If only the five-digit zip code appears, contact your local postal authorities for the last four numbers of your zip code. Then send them to The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72076. Using the nine-digit zip code will speed up your mail service according to the Post Office.
- ◆ All chapters need to send a current roster of members along with a list of officers to the FCA at the Jacksonville address.
- ◆ A list of new members joining the FCA will now be published every month in the *Bulletin*. This should help chapters contact potential new chapter members.
- ◆ The abbreviated month on the mailing label of the *Bulletin* is the month you must renew your dues to the FCA.

VICE PRESIDENT'S MESSAGE

This month's message will be devoted to the subject of the '93 FCA National Convention: where we are; where we are going; what it means to you as an FCA member. (This message was written in October, and because of that, much more progress will have taken place than I am able to report at this early date.) **Classes** are established, and hopefully by now, there is a better understanding of how they are arranged. The format, as printed in last month's *Bulletin*, is designed around a computer program that allows a minimum of inputs (seven per category). When all entries have been received (May 16, 1993), the program will sort each class by year and quantity per category. A formula or several of them can then be applied to establish which classes require splitting and the quantity in each based on the cost of awards for each class. Simple, isn't it? The class format with which you are familiar is just the base. From there it will expand proportionately to entries. Put another way, there will be more classes and awards than one could ever conceive if, and only if, you (All FCA Members) pre-register to be there. How about it?

Letters have been sent to 13 Falcon parts vendors for T-shirt ads. Dennis Carpenter replied within a week with not only his donation but two \$25 gift certificates. Thanks, Dennis! Hopefully all of these vendors will be able to set up for your convenience. We cannot forget these fine people are major players in our hobby.

Thirty-three **letters** have been sent to all Chapter Presidents requesting volunteers to help with the many tasks that are required to make this Convention a success. At this time, approximately half of the positions are filled. Want to help? It's your show.

We're **awaiting** quotes and artwork from the trophy manufacturer, and hopefully the menu selection from the hotel will be completed this week. We are continuing our pursuit of a major cash sponsor. A letter of solicitation for goody bag stuffers has been generated and should be ready for distribution soon. Pre-registration forms have been formatted and approved; we're just waiting on information and pricing from the Knoxville Visitors Bureau. Artwork for T-shirts has been generated and two quotes will be requested. Many letters have been sent to individuals requesting information on class configuration.

That's about it for now. We will continue to work at making this the best attended FCA Convention ever. To accomplish this, we need YOU in attendance. If it runs, bring it; if it doesn't, tow it and show it. There will be enough parts there to get it running! We have a class for All Falcons. This is our opportunity to have a convention unlike any we've ever attended, but to accomplish a goal like this will require a tremendous amount of effort on the part of all FCA members. We are taking every measure to reduce the cost of attending, and think of this — all profits are returned to you, the members.

Happy Holidays to Each and All,

Marty

CHAPTER NEWS

◆ The **Keystone Chapter** concluded a successful 1992 season with a Fall Foilage meet and luncheon at Chet and Becky Wisneski's home in Shickshinny, PA, on October 17. Eight Falcons made the trip in fine weather and concluded the day at a scenic overlook. The Keystone Chapter wishes fellow Falcon buffs a festive holiday season and a great 1993.

◆ Good company, good food, and lots of good deals . . . that describes a recent meeting of the **Lone Star Chapter** that was held at On The Border/Arlington Swap Meet. Everyone enjoyed seeing all of their "Falcon friends" and eating Mexican food.

◆ The **Carolinas Chapter** recently held their third annual migration to the Haigler home for a picnic and had thirteen Falcons in attendance. They also went on a tour of the Spencer Shops in Spencer, NC where they enjoyed the car show and an original "articulating" steam locomotive that provided authentic train rides.

◆ The **Mid-America Chapter** held a picnic with the Lincoln-Mercury club at Heritage Park in Olathe, KS. A traveling trophy for the club with the most cars at the picnic was started. This year the Falcons won with nine to four Lincoln-Mercury cars. It was a busy summer for showing cars — Wayne Johnston won 1st place with his red '65 convertible in the Springfield, MO, All Ford Show; Jim and Diane Hatcher had their black '65 Sprint and '65 Ranchero at a show in Ottawa, KS; Barry and Jackie Fischer showed their red '62 Ranchero at both Clinton and Butler, MO, and received 2nd place at each, and their '64 Ranchero at Rich Hill, MO, where they also took 2nd. Plans are being readied for a Spring Regional in Kansas City on June 18 and 19, 1993. The Lincoln-Mercury Club will also hold an All Ford Show on June 19 in conjunction with the Regional Meet. Mark your calendars now for this! Regular monthly meetings are held the first Friday of the month at Santa Fe Bar-B-Q in Olathe, KS. The December meeting will be their Christmas Party, Saturday, December 12, 1992, at Ryckerts Hall in Lenexa, KS.

◆ At the last meeting of the **Northwest Chapter** the upcoming Christmas party on December 13 was discussed. Plans were made for the election of new officers for next year. They will also be holding a food drive for the next two months for the church they use. The chapter voted to provide a trophy every year at the Fall Ford Fest in Graham on Labor Day.

◆ The **Gateway Chapter** hosted their Fall Regional October 19 and 10, along with an All Ford Car Show Oct. 10. Both were very successful and well attended with 29 Falcons registered for the Regional. Fifth-four members attended the banquet on Saturday night. There were 56 Fords in the All Ford Show plus 14 Falcons. Some Falcon owners won trophies in both shows. Gateway members enjoyed meeting fellow FCA members once again and would like to thank everyone for coming.

◆ Recent outings of the **River City Chapter** included the Foresthill show, the West Sacramento parade where the chapter won 1st place and then held a picnic at Miller Park, a Fun Night/meeting at Gourmet Burgers in Rancho Cordova, and a trip to Apple Hill and Folsom Dam. Plans are being made now for their third Regional Meet which is tentively set for June 18-20, 1993.
